SHORES GONE COUNTRY MUSIC FESTIVAL IN OCEAN SHORES

New Website Launches as Ocean Shores Prepares for Shores Gone Country Music Festival

North Beach Independent Media (NBIM), a local 501(c)(3) nonprofit organization dedicated to supporting independent media and community events throughout Western Grays Harbor County, has officially launched its new website at www.nb-im.org.

The new website serves as the central hub for information about the organization's upcoming events, including the inaugural Shores Gone Country Music Festival, scheduled for Saturday, August 29, 2026, at the Ocean Shores Convention Center.

The new website was developed in partnership with PNW Web Designers & Marketing, a locally owned marketing agency that is also co-leading promotional and marketing efforts for the festival. Owner Randy Costello and his team of nine are proud to support North Beach Independent Media's mission of creating community-driven events that showcase the North Beach region while encouraging tourism, supporting local businesses, and strengthening community engagement.

Visitors to the website can purchase event tickets, register as vendors, enter the Homestyle Chili Cook-Off competition, learn about sponsorship opportunities, and explore North Beach Independent Media's mission of strengthening local communities through music, entertainment, and regional programming.

The Shores Gone Country Music Festival will feature live country music throughout the day and evening, food vendors, a beer garden, community activities, and performances by regional artists from across the Pacific Northwest. Organizers expect the event to draw visitors from throughout Grays Harbor County and beyond, providing an economic boost for local businesses while creating a new annual tradition for the Washington coast.

"We wanted to create a place where the community could easily find information about our events while highlighting everything North Beach Independent Media is working to build," said the organization's leadership. "Our goal is to bring people together through local entertainment, support regional artists and businesses, and create events that benefit the entire North Beach community."

The website also includes information about the organization's annual New Year's Beach Bash fundraiser, volunteer opportunities, and future community initiatives.

Community members are encouraged to visit www.nb-im.org to learn more, purchase tickets, register for events, or get involved.

About North Beach Independent Media
North Beach Independent Media is a nonprofit organization serving Western Grays Harbor County through community events, independent media initiatives, and local programming designed to strengthen connections across Ocean Shores, North Beach, and the surrounding communities.
